## How to Plant a Stuffed Bunny

Written by Hwang Sunmi  
Illustrated by Lee Heeun

Published in 2019/ 48pages/ 4 and up

New Release from the author of <The Hen Who Dreamed She Could Fly>

A girl is very excited to hear that there will be over 10 beans loaded on one bean tree. The girl walks out with her mom to the garden to plant her bunny doll so that she can give out to her friends. As the girl takes care of the plant, she learns the joy of giving and sharing.

## Three Little Pigs Beyond the Pages

Written and illustrated by An Kyeongmi

Published in 2018/ 52page/ 4 and up

A new release by the artist who won "Illustration of the Year" in 2015, 2018 Bologna Book Fair!

This book is a modern interpretation of the British folk tale <The Three Little Pigs> with an interesting features. When the reader turns the page, it creates wind within the story. This book helps to realize reader's desire to help the main character when he is in trouble, and the two can overcome the difficulties together.

**It's Okay**

Written & Illustrated by Choi Sookhee

Published in 2005/ 32pages/ 4 and up  
Sold to Germany, Taiwan, China

This picture book is about accepting oneself as who they are and finding something special about themselves. For a child, animal may look very strange-small ants, sharp-nail porcupine, crawling snake. But the animal say, "It's Okay" because they have their own strengths. The child is taken aback, thinking about her strength and finds out she has the loudest laugh in the world.

**Do You Want to Be My Friend?**

Written & Illustrated by Choi Sookhee

Published in 2015/ 32pages/ 4 and up  
Sold to Taiwan, China

A picture book that illustrated how to reach out and communicate with an open mind

This book illustrates the meaning of a "good friend". By encountering to reach out with an open mind, the readers will learn how to make friends and building friendship.

**When I See You**

Written & Illustrated by Choi Sookhee

Published in 2018/ 44pages/ 4 and up  
Sold to Taiwan, China

A book that empathizes with pain of other living beings on the Earth and provokes thoughts for the better world.

A fox lost his home in a tree-cut forest, a flying butterfly is covered in smoke.....The child sympathizes with the pain of the animals, trying to comfort and encourage them. It contains a message which emphasizes with environmental protection and harmonization of the ecosystem, following today's trend. In a book "It's OK," the child finds value of oneself and in the book "Do you want to be my friend" the child opens up to make friends. In this book, "When I see you," you can see a child struggling to make a better world and how the child becomes mature in these series.

### There is a Rope

Written & Illustrated by Cho Wonhee

Published in 2018/ 48pages/ 4 and up

#### Grand Prize of the 1st Woongjin Junior Picture Book Contest

This book illustrates a critical view of the modern day society where everyone is striving for the same goal. A man finds a rope on his way to work and instinctively starts to pull it. Then all the people behind him pulls the rope, not knowing the reason to it. Meanwhile, a young boy walks by a group of people pulling the rope and asks why they are doing it. No one can't answer his question because they don't even know what they're doing.

### Where is Our Blanket

Written and illustrated by Ha Soojeong

Published in 2018/ 48pages/ 4 and up

The family inevitably shares one single blanket as the baby wets the other blanket. During the night, the blanket starts to disappear as each family member kicks the blanket further away. If someone kicks the blanket, it ends up in the living room, if another one kicks it, it ends up in the yard, and if another one kicks the blanket, it ends up on the moon. The reader will think of the meaning of the family by watching them trying to keep each other warm by holding each other tight.

### My Superhero Dad

Written and illustrated by Lee Myeongha

Published in 2018/ 66pages/ 4 and up

#### A story of the bondage between a father and a child, with an animation-like display

This cute and inspiring story presents dad's incredible super power that protects his family. Dad can fight against the terrible villains who try to destroy the world where his wife and son live. But can you imagine what the most important mission for him of all time is? To bring his son's favorite sponge cake along with banana flavored milk when coming back home! This is such a delightful story that honors all dads in the world who are always there whenever his beloved ones need. It will be the perfect tale for children to talk about all the ways that dads are special and always love them no matter what they do.

### Discovery of Fish

Written by Kim Hwang  
Illustrated by Lee Heeun

Published in 2018/ 36pages/ 6 and up

Everything about Fish, written by Kim Hwang, a famous non-fiction writer in Japan

Let's discover the world of fish with Dr. Cat who is known as "an encyclopedia of fish". One day, Dr. Cat meets a boy who hates fish. But as Dr. Cat takes the boy on a journey of fish, the boy gradually learns to love fish and becomes know all of fish.

### Petal Apartment

Written & Illustrated by BaEk Eunha

Published in 2019/ 48pages/ 4 and up

The petal apartment has been always noisy and crowded because of the rude animals. Pigs fall cookie crumbs down, a kangaroo exercises on a treadmill in a room, and a monkey draws graffiti art on every wall. Petals are about to wither and die. One day, a child moves into the apartment. Let's see how neighbors have change after meeting this new kid. The story teaches how to deal with the conflict within the neighborhood.

### Mom, are You Coming?

Written and illustrated by Ko Jungsoon

Published in 2018/ 40pages/ 4 and up

A book that supports the daily lives of working moms and comforts the children waiting for their moms!

When the child asks, "Mom, where are you?" mom becomes more impatient with the remaining work. But the mother in the story is very creative in explaining why she is late and encourages her child to understand and wait for her. This is a heart-warming story that illustrates all moms think about their child who are waiting for her to come back.

### Sound of Crying

Written by Ha Soojeong

Published in 2018/ 24pages/ 6 and up

A picture book that deals with domestic violence and calls for the attention of our neighbors.

〈Sound of crying〉 is comprised of a flow that follows the source of a sound that started some time ago. By expressing the sound in different colors, shapes, and textures, this book leads the readers to be curious about what is behind the sound. When we turn to the back page, the twist unfolds and a child desperately waits for someone's help.

### I Will Always Be with You, Dad

Written and illustrated by Ko Jungsoon

Published in 2016/ 36pages/ 4 and up

The story is about father-daughter relationship. Dad always wishes to protect his daughter as he loves her kid with all his heart. He repeatedly says "I wish there will be a good person who can always be there with you when you are grown up."

**Late at Night**

Written & Illustrated by Park Seyeon

Published in 2018/ 40pages/ 6 and up

A book of imaginative pictures that will help a child remember sleeping time beautifully.

The night is getting deeper but the child can't seem to fall asleep. He is staring at the wall. Then, he finds a strange old lady hiding inside a wallpaper. When their eyes meet, she pops out of the wallpaper and starts dancing and whistling. Like a spell, old lady's whistle calls out friends one by one who's been hiding in the wallpaper: flowers, foxes, fish, trees.....

**It's Okay, Slow Lizard**

Written by Yoon Yeorim  
Illustrated by Kim Jiahn

Published in 2019/ 44pages/ 4 and up

A warm story about animals of various personalities growing up and helping each other

From the slow-paced "slow slow lizard", the "little bird" who has to finish what could be done later, the "strong elephant" who's so powerful and quick-tempered, the "fast rabbit" who is so witty and fast, and the "laughing monkey" who's always fooling around....It's a story of unique animal friends filling each other's gaps and finding their own merits.

**An Old Tailor Shop at Intersection**

Written & Illustrated by An Jaeseon

Published in 2019/ 48pages/ 4 and up

A new work by the author who got the Illustrator of the Year in 2017 Bologna International Children's Book Fair!

It's a picture book that talks about the value of staying the same for 100 years in a rapidly changing world. In fact, it's about a tailor shop that has been making suits for over 100 years in Jongno. The book captures the moments of crisis and changes that the small shop had to face over time. It provokes children's interest in making clothes, showing the detailed process of making a suit.

**Legend of Chicken**

Written by Lee Sangkwon  
Illustrated by Kim Hyejeong

Published in 2019/ 66pages/ 4 and up

A picture book that reflects the breadth and depth of nature that is all-giving to us.

The whole village was filled with the sound of forklifts as the development project began in the rural village. The poet who dreamed of quiet rural life gave up on it with the change of his village. Then one day, five chickens that had disappeared suddenly came back with a row of new chicks. This is a picture book where you can feel the greatness of nature through chickens that survived the changes of the nature without avoiding the development.

### Wait For Me, I Will Wait For You

Written by Lee Jeok  
Illustrated by Lee Jinhee

Published in 2018/ 48pages/ 4 and up

A second book by singer-songwriter Lee Jeok, author of the bestseller "One Day".

This is a story that reminds us of past encounters and friendship traced by a story of Halley's comet and a lovely star. One day Halley's Comet flies by, and the little star was so excited. He wanted to be comet's friend but the comet just flies by. And 76 years later comets passes by again not being able to slow down, he leaves the message for the little star - he wants to be friends too. Now the little star is not lonely. They have become friends, and the waiting is rather exciting.

### Pink Saturday

Written & Illustrated by Kim Hyejin

Published in 2019/ 48pages/ 4 and up

A picture book about the heart of a child who is infatuated with what she likes.

The child is dressed up in her favorite color pink and leaves home with her family. In the eyes of the child, clouds in the sky, tail of a cat, or the flying birds are all seen in pink. It's a picture book makes children think about their personal taste.

### Friendship Book

Written by Park Eunjeong  
Illustrated by Nam Joohyeon

Published in 2019/ 40pages/ 4 and up

A coaching book that gives advice on various relationships between friends and friendship!

Friendship Book allows you to share what is on your mind like a secret diary when you have trouble with your friends. The main character is a new girl who just moved and without any friends, and the book deals with all the feelings she might have in making new friends. She goes through feelings such as joy, disappointment, frustration and doubt.

# STICKER BOOK

Published in 2018/ 44 pages/ 4 and up/ 3 titles

An activity book that turns fear into confidence!

This is an activity series that helps children to have an indirect experience in life, such as going to the dentist, catching a cold, or taking the subway. More than 100 stickers and activities such as drawing, painting, coming out of the maze, and the puzzle will help children transform their fears into confidence so they can do well on their first day.

## I Can Get Well From a Cold

Written by Kim Jeongran  
Illustrated by Song Soohye  
Sold to Vietnam

What should we do when our throat tickles, have coughs and runny nose? With unfamiliar doctors, painful injections, and scary-looking medical tools, children are afraid every time they go to the clinic. In this book, they can experience various processes that goes on in the clinic, including triage, seeing a doctor, getting examined with a stethoscope, and checking inside of their nose or ears. There are various activities to reduce the fear of children by helping them to find out the causes of cold, why we need to get an injection or take medicine.

## I Can Go To The Dentist

Written by Shin Jimyeong  
Illustrated by Yoon Taekyu  
Sold to Vietnam

This book helps children to learn and understand new experiences from a child's point of view. This book will tell them that the sound from one of the tools in the dentist's clinic is actually putting water in their mouth, that a bitter pill is necessary to fight germs in their body, and that all the instruments used by the doctor are necessary and it doesn't always give us pain. The book has enhanced realism by exploring the functions of dentist's tools and allowing children to experience the treatment process through different activities.

## I Can Take The Subway

Written by Kim Jeongran  
Illustrated by Cho Wooyeong

In this book, a child can experience different steps to take a subway by observing different signs in the subway station, searching for the destination on the map, buying the ticket and getting on and off of the subway. Through different activities, children can also learn about things to be aware at the station, meaning of different signs in the compartments, public manners they need to observe in the subway, and what to do when they lose their parents or guardians.

# One Step Forward - Math

Published in 2018/ 40 pages/ 4 and up/ 30 titles/ 22 Work Books

A full collection of primary level mathematics series which is a must be read before entering elementary school.

This series illustrates primary level mathematics such as numbers, computations, classifications, shapes and spaces, rules, and measurement essential concepts in a fantasy and detective stories. It also includes an intuitive way to learn mathematical concepts with flaps, punching and folding, which makes it easier for children to understand mathematical concepts.

We have also printed coding pages for children in preparation for the fourth industrial revolution.

They can identify mathematical concepts in the form of algorithms at the end of the picture book, and try to solve problems that require a combination of computing thinking skills and mathematical thinking skills in the workbook.

# MR. TEETH BRUSHING, THE DETECTIVE

Published in 2018/ 130 pages/ 7 and up/ 12 titles

A series of detective stories that boost logical thinking

Sold to Hong Kong, Japan

This is a series where detective Chika, solves the mystery around his neighborhood. He comes up with a solution when he brushes his teeth.

This book helps children to practice logical thinking.

One day, an alien robot called Alphabot crashes on the Earth as an accident. He lands on top of the detective Chika's office with his circuits broken. He can't go back home until he gets his circuits fixed, and he needs to solve 48 cases together with detective Chika in order to fix them.

While reading the story, readers can also become detectives and make deductions, and the storyline can be summarized through profiling activities at the end of each chapter. The activity page allows children to write step-by-step on a topic and practice thinking rationally.
