RIGHTS WORLD

The Korean Andersen Award top winning work, having an incredibly creative storyline, a title is "The reversed world"!

An absorbing book with a mysterious fantasy which is a matter of common interest to children.

The young readers will follow mysterious stream of adventure in the reversed world, having strained tension, because the fast-moving text follows the overall exquisite plot.

This breathtaking, characterful and arcane illustrated fantasy is inspired by a creative idea.

What does it mean "REVERSED" in the title?

A little boy Young-joon falls down to a mysterious hole all of sudden, there is a reversed world in the deep grave. In there, an adult can't do a social role as adult anymore.

Because as they get older, show little intelligence and be poor at judgement every situation. So the world governed by SMART children instead of them.

Young-joon meets his doppelganger, Ah-ra, and they start adventure to save the world against of twins dictator brother's power struggle.

A fast-paced adventure that is extraordinarily written and beautifully illustrated, reflects adults who are full of self-contradictions in competitive society, twists on them with a witty plot.
